

# XEN Presentation

Introduction to XEN

3/1/2007

Presentation to UUASC LA Chapter

# My Intro

- Name/Vitals
  - What I do
    - As little as possible :)
    - Systems Systems Systems
    - Lots and lots of Linux
  - Where to find out more
    - Website (<http://www.thewybles.com/~charles>)
    - Blog (<http://jackshck.livejournal.com>)

# XEN Intro

- What it is
- What it isn't

# Pros

- Direct hardware access
- Less overhead
- Open Source
- Lots of virtualization goodies (live migration etc)

# Cons

- Complexity
  - Installation
  - Management tools lacking
